You must be deemed medically healthy for injectable fillers. Injectable filler is a soft tissue filler injected into the skin at different depths to help fill in facial wrinkles, provide facial volume, and augment facial features restoring a smoother appearance. Hyaluronic acid fillers are temporary as they are eventually absorbed by the body. There are risks and benefits to soft-tissue filler, winner will be required to sign an informed consent prior to injections.

The appointment to inject will last no longer than 30 minutes, during the appointment, no further medical or cosmetic advice will be offered. If you are interested in speaking to Dr. Kappius further, please schedule an appointment. Please note, total cost for any additional appointments will depend on insurance eligibility.
